ABOUT ME

I'm a Munich-based DJ with a passion for creating unforgettable moments through music. Whether it's weddings, corporate events, or club nights. I bring the right energy to every setting. As a mainstream DJ, I offer a versatile mix of genres, always reading the crowd and ensuring a seamless musical flow throughout the event. With professional-grade sound and lighting equipment, I cater to events of up to 250 guests. For an extra touch of live flair, I also offer the exclusive "DJ & Saxophone & Vocal" experience in collaboration with the talented saxophonist "SaxDeen" and the amazing singer "Kristin".
